12:00	Lunch
13:20	Drawing Class
18:00	Dinner
20:00	Bed Room 20

Research
Alzheimer's Research Society
Study on movements
30 minutes long
London
Apply before 24th April

Dementia Planning App

People with dementia need to be taken care of. Our application helps doctors, carers and patients create and manage care plans; record and confirm diagnoses; provide emergency details all in one place and stores other related information.
